4th International Workshop for Pulmonary Functional Imaging

Call for Abstracts
The 4th International Workshop for Pulmonary Functional Imaging will be held on September 24 – 26, 2009 in Boston, MA. Interested investigators are invited to submit abstracts describing their research on all aspects of pulmonary functional imaging.
Submission Policy

All abstracts must be sent to dabagian@bwh.harvard.edu by August 28, 2009 (we strongly encourage submitting by August 21).

All abstracts will be reviewed by the Scientific Program Committee of the 4th International Workshop for Pulmonary Functional Imaging, and the results of the review will be announced via e-mail by September 2nd.

The accepted abstracts will be available in the Workshop Proceedings.
Instructions for Abstract Preparation

The submitted abstracts should have 2 parts:

1) A short summary of the work suitable to general scientific audience (up to 250 words)

2) One standard page with text in the following format:

   1. TITLE: Title, Authors and Affiliations.
   2. INTRODUCTION: State the main objective of the study and provide some background.
   3. METHODS: Provide concise description of the technique and instrumentation used, and define subject population.
   4. RESULTS: Present the main results with an indication of variability (e.g. SD).
   5. DISCUSSION: Critically evaluate and interpret the results. Compare to prior findings in the field.

The abstract text should be written in any of the standard fonts with a minimum size of 10, with 0.5” margins on all sides. The title and affiliations must be centered and typed in bold.
